Dothan High School

Dothan High School was founded in 1911 . Over the past 100 years our graduating class has gone from three student to almost 300 per year. Currently we have a student population of 1300 students in grades 9 through 12. Our class curriculum is diverse and rigorous to meet the demands of a modern world. We offer AP, Honors, Dual Enrollment, and online classes for academic excellence. Our recent graduates have earned scholarships to many prestigious universities including Harvard, Vanderbilt, and Georgia Tech.

A distinguished faculty has been assembled to serve a school community where many of our students pursue a post-secondary education. The parents, students, and staff of Dothan High School seek to build a school that is nationally competitive in academics, the arts, athletics, and service to the community.
